

D) Amendment to Drawing Figure:

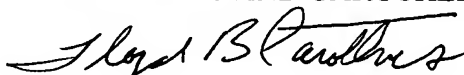

Kindly amend FIG. 5 by substituting original FIG. 5 with the “Replacement Sheet” enclosed. Applicants further enclose a marked up or annotated copy of FIG. 5 showing the desired changes to FIG. 5 which are incorporated into the Replacement Sheet. As may be seen in the Replacement Sheet and also in the Annotated Marked-Up drawing, FIG. 5 is intended to be amended to indicate that the figure represents PRIOR ART.

E) Remarks:

The foregoing amendments correct only grammatical and technical errors and none of the amendments submitted, including the Substitute Specification, contain new matter.

Respectfully submitted,
